2025 United Way Business Awards Ceremony

HOW WE INVEST YOUR DONATIONS:

At United Way of Reno County, we carefully allocate every donated dollar to support 33 diverse LOCAL non-profit programs, alongside our own direct programs.

OUR FOCUS AREAS

Youth Opportunity: At United Way, we want all kids to soar. So we work with the people who care for them — from families and neighbors, to schools and community agencies — to connect young people with the support they need.

Healthy Community: Everyone should be able to make healthy choices for themselves and their families. United Way's partnerships with local groups expand access to nutritious food and quality healthcare, education and services.

Financial Security: Everyone deserves the opportunity to earn a living that can sustain a family and build security for future generations. That's why we're partnering to help more adults thrive in a career, live in quality housing and build generational wealth.

Community Resiliency: United Way believes every community deserves to prosper. We work with our neighbors to build resilient communities that are more connected, supportive and ready to respond to any challenge.
